

Recommended Equipment & Resources for Reactive Rover Class

Most of these items are available at Aptos Feed, Westside Farm & Feed, or Pet Pals. We support locally owned stores who are great supporters of our local dog community.

Equipment

Front Attach Harnesses and Head Halters change the point of leverage and enable easier walking less lunging and less pulling.

Front Attach Harness: Freedom No Pull Harness
Front Attach Harness: Easy Walk Harness
Head Halter: Gentle Leader Head Halter
Head Halter: New Trix Halter

Quick Close Treat Pouch - cleanrun.com

We suggest covering the windows of your car if your dog barks at other dogs while in class. Magnets can hold sheets or other coverings on your car.
